## CASA DI PIZZA MONDAY TABLE TENNIS LEAGUE

**Enjoy free pizza and friendly competition on Monday nights starting at 8 PM!**

***This individual play league welcomes players of any age and playing style. There is no minimum USATT rating requirement, currently we have players of rating 1100-1900. Beginners are welcome!***

Enjoy the tournament-like competition without the expense of going to a real tournament. Players can even track their match stats and rating progress online since the league will be using the USATT League Ratings system, a system that is parallel to the USATT tournament rating system. This event is designed to be **fun-filled with pizza served at half time**. If the number of participants increases, we plan to introduce prize money. We plan to develop a high talent, competitive but fun playing environment using this league format. This league would also serve as a doorway for future members by allowing them to come and try out the NJTTC club experience.

### **Eligibility:**

- **Non-members are welcome and the entry fee is \$10 per night.**
- **Non-league NJTTC members pay \$5 per night.**
- **Existing members of Monday League, play for free.**

**How to register:** Call or sign up in-person every Monday before 8:00PM.

**Playing format:** Best of 5. The top rated 5-6 players will be placed in Division 1, the next 5-6 will be placed in Division 2 and so on. Group winners will get promoted to the next higher division the following week. Last place finishers in each group will move down a division.

**How it is done:** All participants are seeded according to their league rating. Generally, player's league rating will be very close to their USATT tournament rating since the USATT league rating system follows the same process as the USATT tournament system. Players are split into groups of 4-6 players and then each group plays out a round-robin. If a player is pressed for a time, they can default the remainder of their matches without their league rating being adversely affected. Upon completion the results are entered into USATT League Rating system. The standard USATT rating process is applied, and the results will be available online within a day.

### **More information**

- For inquiries or to express interest in joining the Monday League as a player Email: [mondayleague@njttc.org](mailto:mondayleague@njttc.org)
- For current league roster and latest results go to [http://www.usatt.org/league/singles/existing\\_leagues.asp](http://www.usatt.org/league/singles/existing_leagues.asp), select NJ and then click on View for "New Jersey TTC League".
