Summer League. The Summer League is in a handicap individual format for all levels of players for summer fun and relaxation. Players are placed into round robin groups among those who show up for a particular night (regular attendance is not required). Players spot each other points according to their handicaps determined by their win/loss records. Play starts at 8:00 PM on Tuesdays from May through August.

General Rules

1. Beverage cans, bottles and trash must be placed in proper receptacles.
2. Use of inappropriate behavior will not be tolerated.
3. Proper attire must be worn during play.
4. Only rubber soled shoes allowed on playing courts.
5. No food or drink, other than water, allowed inside the playing area.
6. No smoking is allowed on premises at any time.
7. Abuse of club property may result in an immediate suspension of playing privileges and liability for repair/replacement costs.

Table Usage

1. When leagues are not in session, any player or players may use an unused open table immediately.
2. If all tables are in use, any player may call “winners” on any table on a first-call, first-play basis. Callers may put their names on a waiting list at each table.
3. After a player calls “winners”, the players currently on the table may either start a best 3 of 5 games match within 3 minutes or continue practice play for 15 more minutes.
4. If the players currently on the table play a match, then immediately after the match the winner may either a) stay on to play the next caller (the loser leaves) or b) relinquish his turn to the loser. If the winner chooses option b) and the loser does not stay, the next two callers take the table.
5. If the players currently on the table opt to continue practice instead of playing a match, then after 15 minutes **BOTH** players must leave the table and the next two callers take the table.
6. Each player may call “winners” on only one table at a time and may not be a caller on one table while playing on another.
7. When leagues are in session, tables 7 and 8 are normally reserved for open play. The usage rules are the same as above except that each player plays two matches (win or lose) and then leaves the table.
