24	6	Gene Tom	1	11	0	0	12	13	8.33	19.05

Note: The score is computed by awarding 2 points for a win (whether actual or default), 1 point for a non-default loss, and 0 points for a default loss. The ranking is done first by score, then by the percentage of matches won. The winning percentage is computed using only non-default matches.
